How to survive a heat wave snowmobile style

- Limit outdoor activities by spending time in your garage sitting on your sled. You might have to move your summer toys to do this.
- Move your lawn mower outside and check on your snow removal equipment to make sure you are ready to clear the snow when you are ready to load your sleds.
- Check your snowmobile attire and make sure it still fits. You might want to go back & sit on your sled to make sure you are comfortable in case you gained COVID-19 weight.
- Since it is harder to go places with limited access in some areas, get your snowmobile maps out and start planning snowmobile rides. You know it is only about 23 weeks before that first ride. (possibly)
- Do not forget your family and friends the rest of the summer while you are out enjoying summer activities. You know, like you shouldn't leave them behind in 23 weeks.
- If all else fails, go in your house, set your AC at 32 and put your snowmobile suit on and practice the snow dance!

Smith & Wesson 9 MM Raffle

As you are aware, the Corn Feed and raffle is cancelled for this year. We decided to go ahead with a raffle board at Rose's Bay for a Smith & Wesson 9 MM. Cost is \$10 a spot. There are 100 spots. Don't miss out on your chance to win! Stop over to Rose's and check it out! When the board is full the drawing will be held at Rose's.

Blue Diamond Vacation Area Donation

Special thanks to the Blue Diamond Vacation Area organization for their generous donation of \$400. This donation was made to us supporting tourism in our area and recognizing the work the Back 40 volunteers have done for the area! Was a very nice surprise as well as tribute to our members.

Trail Passes & Dues

As mentioned in previous newsletters, we are collecting dues for the 2020-2021 season. Our effective dates for the season are from July 1, 2020 to June 30, 2021. This is the same timeline the AWSC uses. At this time, during the "pre-season" we will be submitting dues twice a month around the 15th and 30th in August and July. Starting in September we will submit the dues weekly. As long as your dues are paid after July 1, 2020, you can order your trail passes. Keep in mind you will not be able to order until after July 15th at this time based on the timeline for submissions. Please make sure when you are paying your dues to include the correct spelling of your name as how it appears on your sled registration. If you have a family membership, make sure to include the names that your sleds are registered under. You can order your trail passes by using this link <https://www.awsc.org/Trail-Pass-Registration/Order-Passes-Online>

Enjoy the rest of your summer!
