What will the season bring

For snowmobilers, snowmobiling is a great way to beat the “Winter Blues”. Snowmobiling brings excitement and gets you outdoors, taking in the beautiful scenery, fresh air and being with friends and family. As snowmobilers, social distancing and wearing facemasks is nothing new. We have been doing this for years and never had an issue with it. When you think about it, although different reasons we were in protective mode already! Picture yourself putting on your snowmobile gear including your snowmobile facemask. You start your sled and hit the trails for

a great day of riding. Now, you are at your first stop for possibly lunch. When you take your helmet off you have a couple choices if required, leave your snowmobile facemask on or possibly replace it with what is starting to be your everyday facemask. It is most likely going to be a different season. Whatever mask you may have to wear during your snowmobile days, just be safe and respect others. We got this!

November meeting

Our November meeting is Friday, November 13th at Fireside in the meeting room across from the bar starting at 7:00 pm. We would appreciate members attending to wear face masks. We want everyone to feel comfortable coming to meetings.

Overnight Ride January 29th to 31st

We have a change of location in our Overnight Ride. We will be going back to the Wilderness Inn in Barnes. There are still 3 rooms left which all have two beds. The rooms are very spacious. <http://barnestradingpost.com/motel/motel.htm> If you are interested, please send an email or call Pam at 715-868-0006. They are holding the 3 rooms yet. Always have a great time in this area and the accommodations are wonderful for snowmobiling. Right on the trail. Can't get any better!

Holiday Party

At the October meeting it was decided not to have a Holiday Party this year. It is a hard decision; however, we feel that based on previous years we possibly would be over capacity for attendees. Our goal is to keep everyone safe and comfortable. Hopefully things will return to normal soon.

Membership and AWSC news

As you are aware, with your membership to the Back 40 you also have membership to the AWSC. Also included in your AWSC membership is the opportunity to purchase your trail passes for each sled at the discounted rate of \$10 each, 8 issues of the WSN magazine. New this year the AWSC announced each AWSC household member along with children under the age of 19 receives a \$3,000 Accidental/death insurance policy from American Life Insurance at no cost. Also, if you would like to have your email address added to the AWSC we can do that. We have always been able to do that, however, not being sure if members wanted to share their email with the AWSC we did not include it. Please indicate on the membership form if you would like your email address included. Dues to the AWSC are being submitted weekly. Please make sure when you are paying your dues to include the correct spelling of your name as how it appears on your sled registration. If you have a family membership, make sure to include the names that your sleds are registered under. If you have a Commercial Membership, please indicate the name of the individual who the sled is registered in. Trail passes can be ordered online through www.awsc.org.
