Dear Santa, Please bring me SNOW for Christmas

Just like that, we are in the holiday season! Back in March, who would have thought, your last ride of the season would be the one thing you would reflect back on during the rest of the year and wish things would be that good. We dealt with social distancing, cancelled many plans thru the months that followed. We changed our summer activities by making memories doing new things and learned to appreciate what we have. The holiday season is a perfect time to reflect on our blessings and seek out ways to make life better for those around us.

I feel the most carefree when riding my snowmobile
Snowmobiling brings so much enjoyment to us. It is one activity that if you are spontaneous, sociable, enjoy beautiful scenery you will find fulfillment in the ride. It is one thing you can do where you can be with a group of friends, but yet be able to have your own time to reflect on your thoughts. Life is a trip, enjoy the snowmobile ride. Now is the time to create new memories to last a life time!

Overnight Ride January 29th to 31st

At this time, we are still planning on our Overnight Ride. As mentioned in the last newsletter we will be going to the Wilderness Inn in Barnes. We have 1 room left which has two beds. If you are interested, please send an email or call Pam at 715-868-0006. We always have a great time in this area and the accommodations are wonderful for snowmobiling.

December meeting

The December meeting is cancelled due to the many changes right now. We are hoping to have a meeting in January, possibly via Zoom.

Members coming together

We are so grateful for the donations that we have received from members this year as well as the volunteers who have helped with the trailwork. As you know, we had to cancel our Corn Feed the only fundraiser we do. The donations we have received have really helped us to be able to still give back to the landowners and carry on with our yearly obligations as a club.
