#### We finally got snow

With the trails not being open in our area in the early part of the season, many of us have been riding in different areas of the state. Finally, we received some snow to open trails in our area to ride! Hoping with the cold temperatures in the forecast for the next week the snow will stick around! We still have about 7 weeks to ride if conditions stay right and Mother Nature keeps cooperating!

#### February meeting

We will be returning to having meetings starting with the February meeting. Meetings will be held in person or via Zoom. The February meeting is Friday, February 12, 2021, starting at 7:00 pm. at the Gunderson’s in their garage. There is plenty of room to social distance plus the garage is heated! An email will be sent out with the link if you choose to attend via Zoom. There also will be technical assistance available if attending by Zoom by calling the Gunderson’s anytime, after 6:30 pm. We will be discussing trails, Corn Feed and a few other items.

#### Support our businesses

In these difficult times, while you are out riding, stop by and support the local businesses that support us. We appreciate the businesses and members support we get throughout the year. We are very fortunate. If you are out and about, stop at Rose’s Bay and get in on the raffle of the Smith & Wesson 9 MM

## AWSC news

With the AWSC Convention being cancelled, club membership chairs are receiving ballots to vote for the President, Vice President, Secretary and Treasurer. In your latest issue of the WSN there are bios on the people running for office. If you have any questions about the candidates or suggestions who you feel would be best for the positions, please feel free to contact us by email or phone. The club is allowed one vote for each office. I can tell you they all are very dedicated individuals. Hopefully you have taken advantage of getting your discounted trail pass for \$10 per sled through the AWSC. Your membership and trail passes expire on June 30, 2021. When ordering your trail passes keep in mind that your club dues must be current. Trail passes are taking a couple weeks to receive. However, when you order them online through the AWSC you can printout a temporary receipt with your AWSC information on it as well as the sled that you have requested the pass for. Please make sure when you are paying your dues to include the correct spelling of your name as how it appears on your sled registration. If you have a family membership, make sure to include the names that your sleds are registered under. If you have a Commercial Membership, please indicate the name of the individual who the sled is registered in. Trail passes can be ordered online through [www.awsc.org](http://www.awsc.org).

## Progressive Dinner Ride

Due to COVID we decided not to have the annual Progressive Dinner Ride. Some members have mentioned that they really would like to do it. We would appreciate your thoughts on this. This is something we can do by sled or car. Some suggested possibly only go to one place for the entire meal.
